

CELEBRATING COMMUNITY GENEROSITY

Cheryl Mostert poses with the beautiful Lindt Advent Calendar she donated to the 2025 Rotary Auction. The lucky winner of the calendar was Jenny Mah.

The Rotary Club of Fort Nelson would like to thank everyone who participated and donated—the generous contributions help to support the CT Scanner project and important community programs.

Your support truly makes a difference!

PUBLIC ANNOUNCEMENT

DEVELOPMENT OF A PEST MANAGEMENT PLAN

Reference Number: Ovintiv-BCBU-2026/31

Applicant: Ovintiv Canada ULC
37 Vic Turner Airport Road, Dawson Creek, BC, V1G 0G1
Attention: Kristi Stucklschwaiger, Contract Environmental Advisor
Email: Kristi.stucklschwaiger@ovintiv.com
Phone: 780-513-0583

The purpose of the proposed Pest Management Plan (PMP) is to manage vegetation, including noxious weeds, invasive species and hazardous trees, on all land owned, leased, and/or controlled by Ovintiv for oil and gas production, transmission powerlines, distribution and storage within the plan area. These sites are in proximity to the communities of Fort Nelson, Fort St. John, Dawson Creek, Tumbler Ridge, and Pouce Coupe. All sites are within the geographic boundaries of the Northern Rockies Regional Municipality and the Peace River Regional District.

Using the principles of Integrated Vegetation Management Plan (IVMP), the pest management methods proposed include seeding, hand-pulling, mowing, whipping, brushing (selective slashing), and the use of pesticides. The use of pesticides is intended within the area to which the PMP applies. The common name and an example of trade names of the pesticides proposed for use under this plan include: aminopyralid (& florporuxifen) (Milestone & (Milestone NXT)), clopyralid (Advantage Clopyralid), dicamba (DISHA-480), flumioxazin and pyroxasulfone (Torpedo), glyphosate (Roundup Weathermax), indaziflam (Esplanade SC), metsulfuron-methyl (Escort), MCPA (MCPA Amine 600), picloram (Grazon XC), propyzamide (Kerb SC), triclopyr (Garlon XRT), 2,4-D (2,4-D Amine 600), chlorsulfuron & aminocyclopyrachlor (Truvist), Methylsulfuron-methyl & aminocyclorachlor (Navius Flex), fluroxypyr (SightlineB), saflufenacil (Detail), aminopyralid & metsulfuron-methyl (ClearView), and difenzoquat & dicamba (Overdrive). Application methods includes: cut surface, basal bark, injection and foliar.

The proposed duration of the PMP is from April 2026 to April 2031. A copy of the proposed PMP and maps of the treatment areas may be electronically requested, from the above individual.

A person wishing to contribute information about a proposed treatment site, relevant to the development of the pest management plan, may send copies of the information to the applicant at the address above within 30 days of the publication of this notice.

Maximize Your Pension: A Senior's Guide to Local Savings

Making your pension go further is a necessary priority, and we're here to help you achieve it! This list is a great resource put together by the Northern Lamplighters specifically to help our seniors stretch every dollar and realize immediate savings on daily necessities across Fort Nelson. The Northern Lamplighters have worked to compile all current senior discount opportunities into one simple, easy-to-read guide. Every eligible person in our community should have this information readily available, so hang this on your fridge and mark your calendars.

Utilizing these discounts is one more efficient way to maximize your buying power, saving you money on everything from groceries to home supplies and clothing. Thank you to the Lamplighters for their effort in compiling this community resource, amongst everything else they do for our seniors population, the Lamplighters have physical printed copies of this list at the main hall for anyone interested.

Review the age-specific savings below and start incorporating these discounts into your routine, with the cost of living every little bit of savings counts!

COMMUNITY HIGHLIGHT - Courtney Nadon & Michael Crumback

Hi! Our names are Michael Crumback and Courtney Nadon. Together we own and operate three small businesses: Glitterbug Buddies, Cartoon Cookies, and Pass The Peanut Butter Cartoons!

Glitterbug Buddies is Courtney's Crocheted Toy business; from Banana Spiders to Pumpkin Pie Turtles, you never know what she'll come up with next!

Pass The Peanut Butter Cartoons is Michael's way of providing fun artwork to the world, specializing in caricatures of people and their pets.

More recently, Courtney has taken her creativity to the world of gourmet baking with **Cartoon Cookies**, where she's always experimenting with new and exciting flavours like Chocolate Peanutbutter Pie and Lemon Sunshine.

We met in Art School and were married shortly after. We moved to Fort Nelson in 2020, thinking we would only stay for a year... but we quickly fell in love with the town and have been here ever since.

What we love most about the community are the relationships we've built. Attending the various markets we've experienced the kindness and support of Fort Nelson first hand. There is a true sense of family here, more than we've experienced anywhere else. From the bottom of our hearts we want to thank the community for supporting our small businesses. We are proud to call Fort Nelson home!
